Western Virginia Annual Conference

Large Body of Ministers and Delegates Now Gathered in This City

The 64th annual session of the Western Virginia Conference is in full swing at Louisa, with about 175 preachers and delegates in attendance. Most of them arrived Tuesday on the N. & W. at two p. m. and by C. & O. at 5:28. They gathered at the church and were sent to their homes in automobiles. The Bishop arrived on Tuesday evening. A reception committee met all trains and the pastor was at the church in charge of a system of cards which facilitated the rapid handling of the large crowd.

On Tuesday evening Rev. G. W. Twyman preached to a large audience and the sacrament of the Lord's supper was administered to all communicants present.

The session opened regularly on Wednesday morning. The Bishop presiding.

In the afternoon Dr. Ivie, of the Nashville Advocate, preached a sermon. In the evening a crowded house listened to a most interesting address from Rev. G. W. Cramm, who has been a missionary in Korea for fifteen years and who arrived in this country only a few weeks ago.

One of the important events at this session will be the election of four or six delegates to the General Conference which will meet in Atlanta next May. This occurs only once in four years and the honor is one to be appreciated. Among the names most prominently mentioned in this connection are Dr. U. V. W. Darlington, Rev. O. F. Williams, Rev. R. T. Webb and Rev. W. I. Canter. Half of the delegates will be ministers and the other half laymen.

The matter of most general importance, however, is the assignment of preachers for the coming year. The appointments will be announced next Monday morning, probably, being the last act of the session.

The business sessions are being well attended and the work is going along smoothly.

The various committees are at work in the Sunday school rooms and the accommodations of the building are meeting the demands nicely. A ladies rest room was fitted up by the ladies of the local church and is quite a good feature.

Dr. Hunter, of the publishing house at Richmond, is here with a lot of good books.

Dr. J. R. Stuart, of Nashville, was here in the interest of the Superannuate Endowment Fund and spoke very interestingly on the subject Thursday. He stated that the Western Virginia Conference leads all others in Southern Methodism in the support given this important fund. He urges that the general conference should put this fund on a different basis so that it will have better attention from the various conferences rather than to be handled as a general proposition.

On Thursday afternoon Dr. A. J. Lamar, of the publishing house at Nashville, preached a strong sermon. Two representatives of the Holston Conference were here the first day to confer about the transfer of Williamson and several surrounding appointments to the Western Virginia Conference. It is understood that an agreement to do this was reached, and with the territory there will come a number of preachers. This is necessary because a shortage of ministers will exist after this year, on account of the retirement of several for various reasons.

Rev. W. L. Reid was re-elected Secretary of the Conference. B. F. Gosling, assistant secretary, H. L. Clay statistical secretary.

Bishop McCoy named the following conference committees: Public Worship—A. Hollister; W. H. Forrester; M. F. Conley.

Conference Relations—H. G. Sowards; C. C. Perkins; F. N. Natter; G. W. Twyman; B. M. Keith.

District Conference Records—J. F. Callison; J. B. Brown; W. J. Richardson; C. D. Lear; A. J. Eaton; W. J. Walker; John A. Ballas.

Books and Periodicals—R. J. Yoak; A. P. Keyser; Ivy Yoak; L. S. Auvil; C. M. Moreland; F. W. Clark; R. F. Rice.

Temperance—J. M. Carter; C. A. Slaughter; W. M. Given; J. B. Tyroo; S. N. Titus; Dr. H. Hawes.

Memorial—W. I. Carter; C. M. Coffman; W. H. Douth.

Auditing—Levin Smith; W. W. Murphree; G. W. Bright.

Press—C. A. Slaughter; G. W. Twyman.

Conference Entertainment—Levin Smith; Lee A. D. Tate; M. F. Conley; J. F. Callison; A. A. Grose.

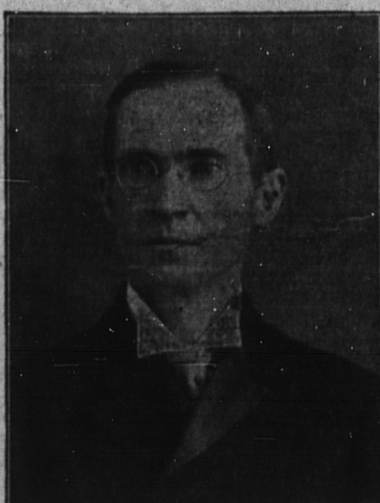

Editor and Publisher of Conference Journal—W. L. Reid, secretary, with his assistants and associates.

The following visitors were introduced to the conference: Dr. A. J. Lamar, agent of the publishing house; Dr. T. N. Ivie, editor of the Central Advocate; all of Nashville; Dr. R. H. Bennett, of Emory University, Atlanta, Ga.; Dr. J. S. Hunter, Richmond; Dr. E. E.

Wiley, presiding elder of the Bluefield district of the Holston conference; Dr. R. T. Brown, pastor of Charleston First church and a recent transfer; Rev. W. A. Gaugh and Rev. A. C. Bostwick, pastor of the First Baptist church and First M. E. Church of Louisa.

The Bishop To Speak.

On Thursday night Bishop McCoy will address the conference, the occasion being the Educational Anniversary. He will preach Sunday morning, but not at night. The people of Louisa are eagerly looking forward to this event.

BISHOP JAMES HENRY MCCOY.
By C. A. Slaughter.

We believe that all of our bishops are men of sterling character and unquestioned ability, yet we also believe that each one, aside from his great attainments, has some little turn of personal quality which distinguishes him in the average mind from any of the others.

In Bishop McCoy that quality is preeminently his broad, sane, democratic spirit, which radiates from him at all times. He has aptly been called "The Great Commoner" of Methodism, because, like the "Great Commoner" in politics, Mr. Bryan, he is a man of the people. He fully recognizes the great ones of earth, but he loves the rank and file of the great Methodist army. He believes in the average Methodist preacher. He likes to give the conference men the best he has if he possibly can. He uses the transfer power when compelled to do so, but when ever possible he would rather fill the appointments from the conference men. Therefore he is a friend to the institutions of the conference. He has followed the history of our schools and colleges and sees in them the solution of the great problem of ministerial supply and demand. He is approachable even to the humblest preacher or layman. He is kind and considerate of the feelings of all and believes in a square deal for all. When with him in conversation you forget that you are talking with one of the dignitaries of the church and feel that you are in the presence of a brother. Bishop McCoy is one of our greatest bishops, but he doesn't know it. It hasn't gone to his head yet, and we hope it never will. May the good Lord give us more men of this type.

So we are glad to welcome Bishop McCoy back to our conference, and we know that he will enjoy his stay in Louisa, the associations of those big-hearted Big Sandians, and the fellowship of the brethren. When the appointments are made we shall love him just the same, for we will believe that he has wrought for the glory of God and the good of the cause.—Methodist Advocate.

RED CROSS MEETING.

The Lawrence County Red Cross Society will meet at seven o'clock, Monday evening, September 10, in the basement of the M. E. Church South. All members are urged to be present and bring as many new members as possible.

A few Lawrence county boys are now in the army and a number will soon leave for the training camps. We must stand behind them. They are to be our fighters. We must be the givers. No slackers. Join the Red Cross NOW!

Prof. Hunter will leave Louisa next week.

Louisa people regret very much to learn that Prof. W. C. Hunter, music teacher, has accepted a good position in a college in Missouri. He will leave next week. He is remaining to conduct the music for conference, which he is doing most proficiently. Prof. Hunter and Mrs. Hunter are both very high class teachers and musicians, and are personally desirable in any community.

MULLEN HELD FOR KENTUCKY POLICE.

In the arrest of a man registered as Mike McCary, 47, alias Mitch Mullen, police believed Sunday they have a man wanted for Kentucky authorities for escaping from a prison road gang. Mullen police say, was arrested here two years ago, and taken to Newport, Ky., where after trial for larceny he was sentenced to two years in prison.

It is claimed two women aided Mullen to escape from the road gang, transporting him forty miles in a swift automobile after his initial dash for liberty.—Huntington Herald.

PIONEER METHODISM IN BIG SANDY VALLEY

INTERESTING FACTS ABOUT PIONEER DAYS WRITTEN BY JUDGE R. T. BURNS.

In Floyd county, at a point now called Trum, in 1808 the first Methodist class in the Big Sandy Valley was organized in the home of Col. Harry Stratton. Shortly after, in the home of William Buchanan, now Lawrence county near Zella, and in the home of Michael Borders (now Lawrence county) classes were organized. These three grand and noble men through their long lives, living as they did to remarkable old age, stood as pillars of a Methodist Christianity of the "old time religion" type.

Other classes were rapidly formed until the entire valley was well dotted with them up to and above the upper forks of Sandy river. Louisa was quietly in this good work, not having a class until 1823.

In the meantime the old fashioned Methodist itinerants—circuit riders—with Bible and hymn book in hand, a flaming Evangel filled with the Holy Ghost, and with faith, traversed the valley, and swam the creeks and scaled the mountains, planting Methodism in the log cabin homes of the old early pioneers. O, those blessed days of primitive scriptural holiness!

This grand work was kept up by Kavanaugh, Harrison, Hill, Sam P. Cummings, Striveley and others; and these were followed by Sam Kelly, Walter Shearer, Joseph H. Wright, Fletcher Medley, Elkanah Johnson, and a host of those long since gone to their divine reward, their names enrolled in Heaven and engraved on the hearts of all who knew them.

I cannot omit the name of Rev. Burwell Spurlock. Although he resided in Wayne county, then Virginia, he was contemporary and a co-worker in Kentucky with all the above named. His thoroughly understood and believed all the Methodist doctrine from "Prevenient Grace to Perfect Love." He was the defender of Methodism and after 144 of Southern Methodism. Ever at hand and ready to defend either, and no man could stand before him. I was intimately acquainted with this wonderful man for over a quarter of a century. He rode my home circuit, preaching in my mother's house and in other homes in the neighborhood. I never failed to go to his appointments when and wherever I could. I have heard him preach very, very often. I think he knew more than any person I ever knew, and could tell it with an eloquence.

EDWIN S. HUGHES ANSWERS LAST CALL

FORMER BELOVED CITIZEN OF LOUISA DIED IN ASHLAND MONDAY EVENING.

Ed S. Hughes, for the past eight years county clerk of Boyd county, Kentucky, and widely known throughout southern West Virginia and eastern Kentucky, died at four o'clock Monday afternoon of apoplexy. He had gone to the office of Dr. J. M. Salmon in Ashland to take the treatment he had been taking regularly for some time. About 3:15 o'clock he was seized with the illness and walked across the room, collapsing on a couch in the doctor's office. He did not regain consciousness, and despite efforts to save his life, expired at four o'clock.

His death will come as a shock to his hundreds of friends throughout the tri-state region. He was in ill health through last spring, caused by a slight clot on the brain, but he had apparently recovered from that trouble. The treatment was being continued, however, and it was when he had gone to the physician's office for that purpose that the end came.

Louisa was especially grieved by the news of his sudden death. It was here that he began his business career in his young manhood. He came here about 30 years ago to assist his brother, James A. Hughes in the merchandising business. After his brother retired from the business, Ed established a general store, which he conducted for several years. He made friends of everybody. He had no enemies. Gentle, accommodating, of high character and undoubted integrity he gained a lasting place in the hearts of Louisa. Later as a traveling salesman he extended his circle of friends throughout the entire Big Sandy Valley. A pang of sorrow will come to each of these when they hear of his untimely end.

He married Miss Nell Hopkins at Catlettsburg and soon afterward engaged in business in Ashland, which had been his boyhood home. His pleasing personality soon won friends throughout the county and when he offered for County Clerk he was elected, then re-elected, and this year it was only his illness that kept him from entering the race in the primary, where he would have won easily.

The funeral took place Wednesday at 10 o'clock.

Hon. Edwin Stephen Hughes was born in Corona, Canada, and was fifty years old on August 22. He was the son of Hon. James W. Hughes, a native of Wales, and of Mrs. Ellen McNulty Hughes, who was a native of Ireland. He is survived by his wife and son, Master Ned, 14 years old, by his father, Hon. James W. Hughes, of Huntington, three brothers, former Congressman James A. Hughes, of Westmoreland, Arthur Hughes, Louisa, and John G. Hughes, of Ashland. He was a member of the Presbyterian church, a 2nd degree Mason, and a member of the B. P. O. E.

The Huntington Herald-Dispatch refers to his death editorially as follows: "Even to the few who were more or less prepared as well as to the many who were totally unprepared, news of the death of Edward S. Hughes, County Clerk of Boyd county, will carry a distinctive shock and a large measure of regret. Mr. Hughes, though given to the ways of quiet and retirement, had nevertheless, a legion of friends who loved him for his sterling manhood, his open hearted ways and his unflinching loyalty. Gentle in disposition, dignified in his intercourse with the world, a close student of the affairs of his time, Ed Hughes as we prefer to remember him, was a delightful companion, a worthy counselor, and a generous and helpful neighbor. He was richly endowed with the qualities which win friends."

From an editorial in the Ashland Independent we take the following: "There never lived a bigger hearted man than Ed Hughes. Always interested in the welfare of his friends and ready to lend a helping hand in any noble endeavor, he surrounded himself with friends in all walks of life who were tried and true. The inspiration of a high purpose, and the beauty of a sincere life were his and these noble qualities will ever be uppermost in the minds of his friends."

That death loves a shining mark was never more forcibly exemplified than in his death. He was cut down in the very prime of life, when the future seemed to hold the brightest promise. But the flower whose fragrance is sweetest is the first whose petals are shed."

FORT GAY TOO.

Wayne News.—Fort Gay is not making a record of which she should be ashamed. Like East Lynn, Fort Gay is enjoying a coal boom which is leaping some coin in some pockets that for a long time had been about coinless. But it's different now! There are about 75 cars of coal a week leaving Fort Gay and that's a good deal of coal, especially when there are good prospects that the output will be substantially increased in a short time.

ITEMS IN OIL CIRCLES.

A well that looks to be an average producer in this field was completed on DeWitt Diamond's farm west of Louisa a few days ago.

Well No. 2 is being started on Wm. Clark's farm in the same locality.

The J. N. Mercum Oil company of this place now has five wells on its property at Oxyria. Joe Thompson and David Fox, of Huntington, will soon complete their fourth well on an adjacent lease.

FORD MOTOR COMPANY MAKES GIFT TO RED CROSS

The gift of \$500,000 from the Ford Motor company, of Detroit, Mich., to the American Red Cross was announced at Washington by the Red Cross War Council. The gift is in the form of a credit on the Ford factories for half a million dollars worth of automobiles, ambulances, parts, etc., as the Red Cross may designate.

With the responsibilities assumed by the Red Cross for the support of the American Ambulance in France, the Ford gift is particularly valuable. Despite the large number of ambulances in service in the Western front, many more are needed.

The Allies must push their military efforts and declare their war aims clearly, says a statement signed by Belgian, British, French, Greek and Italian Socialist representatives at the recent London conference. Annexation is opposed, and restoration of small nations advocated.

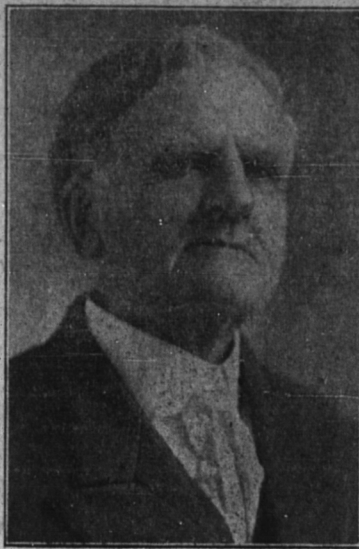

Farmers who have been shorn of part of their war profits by the Food Administration are now demanding that a fourteen-ounce loaf of bread be sold for 5 cents. Complaint on the price of sugar is being heard in Washington also.

This has been a successful year for Brother Hollister and he comes to Conference with an excellent report. What he needs worst is more preachers. There is a great field in this district for development.

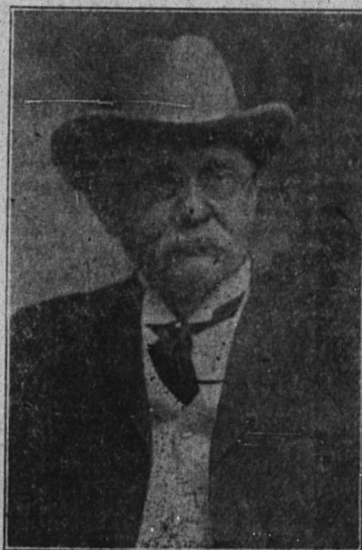

JOHN MARTIN

John Martin, son of John T. Martin and Sarah (Farmer) Martin was born April 19, 1840, in Carter-co., Kentucky, and his boyhood days were spent in Carter and Boyd counties. His educational advantages were confined to the public schools of his state. At the age of 19 he joined the church under the ministry of Rev. J. E. Johnson. In the fall of 1860 he was converted. August 12, 1861, he was licensed to preach at Quincy, Lewis-co., Kentucky. B. F. Tague was the presiding elder; Walter Shearer preacher in charge. During the four years of the war between the states he was employed as a teacher in the public schools of his home county and preaching as a local preacher, in connection with others, the church was held together in Eastern Kentucky during the war. February 26, 1866, Bishop Kavanaugh called the Western Virginia Conference to convene at Greenup, Ky. John Martin was received on trial into the traveling connection of the Western Virginia Conference of the Methodist Episcopal Church, South. Having served four years as a local preacher, he was ordained a deacon. Having served as a pastor and presiding elder for fifty years he was placed on the superannuate list, but continued to serve as a supply until the past two years.

His ministry has been blessed with the bringing of hundreds of souls to Jesus and his church. Many church buildings and parsonages have been entered by him. He raised the first money for Morris Harvey College. He was married to Miss Julia Gilkerson September 12, 1863. This union was blessed with ten children, eight sons and two daughters. Six of the sons and one daughter are still living. His sons have proven themselves worthy of positions of trust. His daughter is married to Dr. Thomas Dugan, of Huntington. His good wife passed away four years ago. He lives with his son and daughter in Huntington.—Methodist Advocate-Herald.

THEY LIKE THE NEW CHURCH.

The ministers attending the conference express themselves as delighted with the new church building at Louisa and surprised at the results achieved with the amount of money put into it. It is pronounced to be one of the most attractive buildings in the conference.

DR. LEWIS PRICHARD
of Charleston, West Virginia

Dr. L. Prichard was born January 19, 1839, on a farm about twelve miles from Catlettsburg, Ky., on the Big Sandy river. Here he worked and saved until he accumulated, by his own efforts, sufficient money to enable him to acquire the rudiments of education together with a degree in medicine from the University of Michigan in 1867. Immediately thereafter he began the practice of medicine at Grayson, Ky., where he met with great success. He married January 7, 1868, Sarah Belle Mead, of Russell, Ky., a woman of splendid intellectual attainments, who has always been a faithful and devoted helpmate. Together they labored and saved, and reared three sons who have always occupied honorable positions. After some 20 years of medical practice Dr. Prichard moved his family to Charleston, W. Va., where he became president of The Charleston National Bank, which, under his management, grew from an institution of \$25,000 capital to \$500,000 capital and \$500,000 surplus with considerable undivided profits in addition, when he sold his stock in April, 1915, at \$250 per share. In addition Dr. Prichard holds other large interests acquired during his residence in Charleston, all of which illustrate his splendid business judgment.

Realizing the struggles of his early life, Dr. Prichard has ready sympathy for the honorable struggles of others who are truly diligent, but thorough contempt for the slacker and the leech. It is just this sympathy that suggested his endowment of the Morris Harvey College in preference to other colleges in his own church denomination. A careful study of his foundation reveals the excellent business judgment and acumen of the man, who really appears to have reduced charity to the basis of good business that ought to appeal to the business sense of any man.—Methodist Herald-Advocate.

BRIEF HISTORY OF THE LOCAL CHURCH

FACTS OF INTEREST ABOUT THE EARLY DAYS OF THE M. E. CHURCH SOUTH.

Louisa became an incorporated town and the county seat of Lawrence in the year 1822. In 1823 the Methodist church was established through the organization of the first class of which Robert D. Callahan was leader. A log count house had been erected on a public square in the year previous and the church was permitted to use this building for its services. Later on the citizens built a two-story frame on the public square between the site of the present court house and Madison-av.

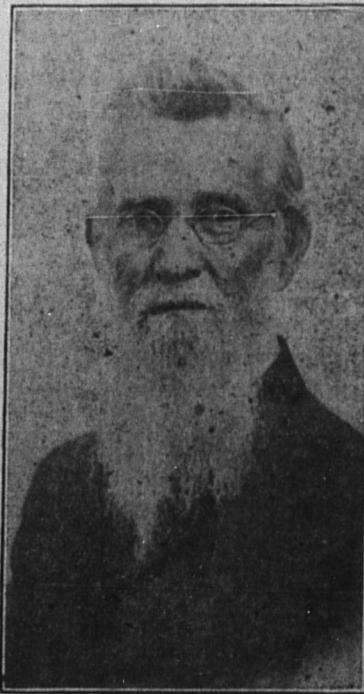

Soon after the class was organized Bro. Callahan was licensed to preach and became well and favorably known. When the division in Methodism came in 1844 he led a small band into the northern branch, the body of the Louisa church going with the Southern branch.

The frame building was used about 25 years. We are informed that at one time Louisa was in a circuit extending from Covington to the Cumberland mountains at the head of Big Sandy. Later and up to 1848 it was in the Big Sandy circuit, the last minister being Rev. Orson E. Long, a noted preacher from the Heights, now Ft. Thomas. In 1848 the annual conference made Louisa a station and assigned Rev. Ezra C. Thornton to the work. Under his administration a lot 50 x 75 feet on the southeast corner of the public square was acquired from the county. In 1849-50 a brick church which stood until 1881 was built. It was a commodious and attractive structure for that day. During the war it was badly abused by the Federal soldiers stationed here. They used it as a commissary and storage house for the feed of their horses. Part of the windows were removed and the walls underneath them torn out to make entrances.

In the summer of 1853 the annual conference was held here, with Bishop Early presiding.

Rev. Thornton was a most useful and efficient man. He was a church builder, a seminary and school builder, and a Sunday school organizer. In 1855, while presiding elder of Parkersburg, district, he made a visit to relatives in the west and was killed in a railroad accident in Chicago.

Excepting a few years during the war, services have been regularly held in our church from 1823 to the present time and the congregation always has been served by good and able ministers.

JUDGE R. T. BURNS

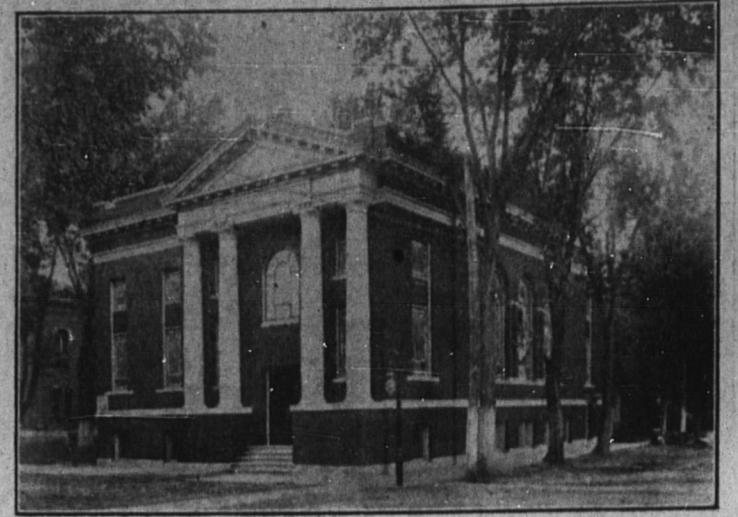

Judge R. T. Burns, now in his 84th year, is the oldest member of the M. E. Church South of Louisa. He was never a robust man, but is yet active for one of his years, except during occasional spells of illness. His mind is remarkably clear and he is very much alive to everything that is taking place. For sixty years or more he has been a leader in church work. For forty years he was Superintendent of the Sunday school of the M. E. Church South at Louisa and he made the school a notable success.

It became known as one of the very best Sunday schools in the Western Virginia Conference and steadily maintained that reputation. His interest in the Sunday school and church is as keen as ever, and no one shows more enthusiasm over the new church building than does Judge Burns. He was one of the largest contributors and promptest payers to the enterprise. He is just recovering from a severe ailment, and it has been interesting to his friends to watch him, during his convalescence, fighting to gain strength enough to walk down to the new church last Sunday and take part in the first service held in the beautiful auditorium. He was there all right, rejoicing and praising God. Then another incentive has been urging him on to recovery, doubtless more than the other mentioned above. We refer to the session of the Annual Conference, with the Bishop and other ministers as guests in his home. It is a glorious occasion for him and his widowed daughter, Mrs. Mary Horton, who lives with him.

May he live many years to enjoy the new church.

Judge Burns is one of the ablest and most prominent lawyers in Eastern Kentucky. For more than half a century he practiced law throughout the Big Sandy Valley most successfully. It has been but two years since his wife died. She was only about two years younger than Mr. Burns. Their long married life was one of unusual and beautiful devotion.

We are pleased to surprise Judge Burns by printing his picture in the NEWS this week and pay him a slight tribute.

New Building Just Completed By The M. E. Church South, Louisa, Ky

By 1880 conditions in the town had so changed that the southeast corner of the public square was not as desirable a location for a church as when first acquired. Through the aid of Senator F. T. D. Wallace and others the county exchanged the lot for the one we now own on the southwest corner.

After the sermon a call was made for new members and four persons presented themselves and were received into the church. They were Miss Parlee Davis, Miss Ruth Woods, Mrs. W. H. Berry and Walter Ferguson.

The entire service was very impressive. The expressions heard about the new building were all favorable. The acoustics proved to be excellent, which is a very fortunate and gratifying feature.

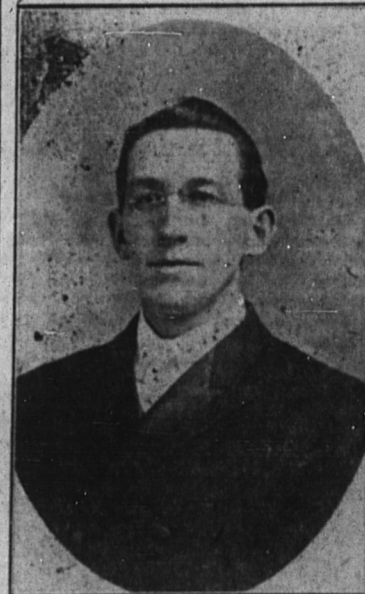

Mr. J. W. M. Stewart, of Ashland, one of the largest contributors to the building fund of this church, drove up in his automobile to be present at the opening of the beautiful building. Also, Mr. John E. Buckingham, president of the Paintsville National and other banks in the upper valley, was with Mr. Stewart at the service.

Uncle Tim Moore and Mr. J. W. Yates shared with Mr. Burns the pleasure of seeing the new church finished. These elderly members of the church have been deeply interested all along.

The church was honored by the presence of Mrs. Boland, beloved widow of the reverend Dr. J. M. Boland, who was pastor of the local church four years ending in 1907.

The lighting fixtures for the church have not all arrived and some of the larger lights installed are for temporary use.

Strenuous efforts were required to finish the church for this occasion, and it was accomplished only by working overtime and at high speed.

REV. W. H. FOGLESONG,
Pastor of the Louisa Charge

The action was authorized by a special act of the Legislature. The construction of a beautiful new building was begun soon afterward and completed in 1882. It was dedicated by Rev. J. B. McFerrin, D. D. The annual conference was entertained at that building in 1885. This structure met the needs of the congregation until the Sunday school outgrew the building to such an extent that it became imperative to provide more room and ample quarters. The proposition was discussed three or four years before any action was taken. Brother McFerrin began in his vigorous way to agitate the subject soon after he was assigned to Louisa in September, 1915. The old church was torn down in 1916 and the new one now stands on the site was started. In last November the corner stone was laid with appropriate ceremonies.

REV. L. E. McELDOWNEY

Above is the likeness of the man who "did the trouble" in real earnest. The first service in the auditorium of the new M. E. Church South was held last Sunday morning. A large crowd was present. The pastor, Rev. W. H. Foglesong, preached. The opening prayer was made by Judge R. T. Burns, and the scripture lesson was read by Dr. E. M. Kennison. Rev. H. B. Hewlett sat with the two other ministers on the platform, and was announced to lead the closing prayer. The choir was directed by Prof. W. C. Hunter.

SYRIAN PRESENTS BIBLE TO THE LOCAL CHURCH.

At the service held at the M. E. Church South on Sunday, August 26, Rev. Foglesong asked for a contribution of ten dollars to buy a Bible for the new pulpit. Immediately Jack Thompson arose and went up front and gave the minister ten dollars. "Jack Thompson" is a Syrian who has adopted that as his American name. His original name is Zhebrein Khaleel Tannhouse, but he found it impossible to use the name here, so he selected an easy one. He located in this place three or four years ago and soon afterward joined the church and has proved to be a faithful and zealous member. He also has taken out citizenship papers and was accepted under the selective draft as a soldier ready for service.

REV. S. F. POLLITT,
Presiding Elder Fairmont District

cently. He is expecting every day to be called into service. When he responded immediately to the call made by the minister for the gift of a Bible there was scarcely an eye in the congregation that was not dimmed by tears. Knowing the man and all the conditions now surrounding him the act was one that could not fail to create a most affecting scene. He carried a pack all over this county until he made money enough to take a few months of schooling. Then he came here and placed himself under the instruction of Prof. E. M. Kennison, who has taken the most intense and kindly interest in his welfare. Ten dollars from a man under such conditions is a large gift. This is in addition to doing his part in the finances of the church in all departments. That it is an incident worth recording will be conceded by every person who witnessed the act and saw the spirit of it.

THE OLD CHURCH BUILDING ERECTED IN 1882, TORN DOWN IN 1916

CLOSING OUT FARM SALE

Of the 7000 acres of land which we purchased in Scioto-co., Ohio, a little over two years ago, we still have 1658 acres divided into 13 farms. We want to sell all of these farms this fall and close out the proposition; for that reason we are making the exceptional offers below given.

BLOOM TOWNSHIP, SCIOTO COUNTY, OHIO

Farm Number One:

48 acres in section 8 on Bear Run Branch within quarter of a mile of hard surfaced pike, and adjoining the works of the Globe Mining Company, working there from forty to sixty men daily; fine location for store. PRICE \$1000. \$500 down. \$100 per year for five years with 6 per cent interest payable annually.

Farm Number Two:

107 & 62-100 acres, in Section 7, lots numbers 1, 2 & 3. A few acres creek bottom, part of it a little rough. PRICE \$12.00 per acre. \$2.00 per acre down, and balance \$1.00 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Three:

112 & 50-100 acres, in Section 7, lots numbers 6, 7 & 8—40 acres of this on top of hill can be plowed both ways. PRICE \$12.00 per acre; 2.00 per acre down, and balance \$1.00 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Four:

77 & 30-100 acres in lots numbers 22 & 13 in Section 6—20 or 25 acres of this can be plowed both ways. PRICE \$12.00 per acre; \$2.00 per acre down and \$1.00 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Five:

114 acres in west half of lot number 16 in Section 11; lot number 1 in Section 14, and lot number 4 in Section 13—35 acres of this tract on top of the hill can be plowed both ways. Not including labor, there is enough ties and telephone poles on this place to pay for it. PRICE \$12.50 per acre; \$4.50 per acre down and \$1.00 per acre per year for 5 years with 6 per cent interest payable annually.

Farm Number Six:

108 & 32-100 acres in lot number 4 in Section 18, and lots numbers 1, 2 & 3 in Section 12—45 acres of this tract on top of the hill can be plowed both ways. Not including labor, there is enough railroad ties and telephone poles on this property to pay for it. PRICE \$12.50 per acre; \$4.50 per acre down and \$1.00 per acre per year for 5 years with 6 per cent interest payable annually.

Farm Number Seven:

155 & 58-100 acres in lots numbers 1, 2, 7 & 8 in Section 34. This farm carries a large number of ties. PRICE \$10.00 per acre; \$3.00 per acre down and \$1.00 per acre per year for seven years with 6 per cent interest payable annually.

Farm Number Eight:

147 & 58-100 acres in lots numbers 3, 4, 5 & 6 in Section 32. About one-half of this has been cleared, but it is badly grown up in underbrush and briars—except where it is not grown up too badly there is some nice spots of blue grass. Thirty acres of this can be plowed both ways. PRICE \$12.00 per acre; \$2.00 per acre down and \$1.00 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Nine:

147 & 30-100 acres in lots numbers 1, 2, 7 & 8 in Section 31—45 acres of which can be plowed both ways. PRICE \$12.00 per acre; \$2.00 per acre down and \$1.00 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Ten:

102 & 59-100 acres in lots numbers 9, 10 & 15 in Section 31, facing on Pine Creek road; carrying a few acres of Pine Creek bottom. 15 acres of this is very rough. 15 acres can be plowed both ways on top of the hill, the balance branch land. PRICE \$12.00 per acre; \$2.00 per acre down and balance \$1.00 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Eleven:

178 & 31-100 acres in lots numbers 1, 4, 6 & 11, in Section 31, and lot number 1 in Section 36 on Cranes Nest Branch. Lot number one in Section 36 carries with it a good area of number 5 coal already open. PRICE \$12.00 per acre; \$2.00 per acre down and \$1.00 per acre per year for ten years with 6 per cent interest payable annually.

VERNON TOWNSHIP, SCIOTO COUNTY, OHIO

Farm Number Twelve:

163 & 60-100 acres in lots numbers 7, 2 & 2 and a part of number 5 and number 4 Section 1. Not counting labor, there is \$500 worth of telephone poles and other timber on this property; one and one-half miles from railroad. PRICE \$12.00 per acre; \$3.00 per acre down and \$1.00 per acre per year for 5 years with 6 per cent interest payable annually.

WASHINGTON TOWNSHIP, LAWRENCE COUNTY, OHIO

Farm Number Thirteen:

146 & 34-100 acres in Section 28, adjoining George Arthur and Jerry Cook. This farm carries the number five coal measures. PRICE \$7.00 per acre; \$2.00 per acre down and \$1.00 per acre per year for five years with 6 per cent interest payable annually.

This land is practically all in second growth timber; for hill land it lays much better than Boyd, Lawrence or Greenup-co., Kentucky lands. Ninety per cent of this land can be run over with a mowing machine. None of these farms has any improvements. These offers should be especially attractive to the man who wants to secure himself a farm of his own and especially so if he has a family of boys to help him clean it up and put it in a producing condition. This land will produce well, and the best evidence of it is to see the farms with their nice houses and barns adjoining it and in the same neighborhood.

On all the above named farms the Oil and Gas Road ways shown on Company's Map are reserved; it being the purpose and intention of the Company that every farm has an outlet to the main Pike or Road.

"GERMAN PROPAGANDA" OPPOSES HOOVER CARDS.

Columbus, O., Sept. 3.—What is declared to be "German propaganda" is efforts of individuals to thrust the country to get women to refrain from signing "Hoover pledge cards" for food saving according to a statement issued thru the Ohio branch, Council of National Defense, to-day. It is said that women are being urged by pro-Germans not to sign the pledges to aid in food conservation, as it bonds them for war service. They are also told, according to the information, that it is a move for the poor to save food and the rich may have more.

The Kaiser's word isn't good for thirty cents in the United States, and the President has proclaimed this fact in vigorous terms.

President Wilson's reply to the Pope's peace proposal is being commended as the greatest of his many great papers. It is a wonderful message for freedom of the world.

Great bodies of young men all over the United States are now landing in the various training camps, to start in earnest the great work of helping to free the world from the greatest curse ever visited upon it—the Kaiser.

Louisa is delighted to have the annual conference of South Methodists now assembled here. The capacity of the town for entertainment is taxed by the large number present, but we feel sure that the spirit of hospitality will make up for any lack of facilities that may be encountered.

Mayor Thompson, of Chicago, persists in his unreasonable encouragement of traitors to the United States. He deserves to have the rules of war applied to him. We are in war and must put down the traitors in our ranks. Congressman Mason is another traitor, working at Chicago now and indulging in revolutionary talk to get the votes of disloyal German-Americans. Both he and Thompson are politicians of the rankest, lowest type. They would sell their country for votes to keep them in office.

The people of this county or community are not in danger of having good roads thrust upon them. Not until they really desire and yearn for roads will they get them. The small response made when the Good Roads Association of the county so earnestly called for two days work recently shows that there is practically none of the real spirit necessary to the accomplishment of road building. Individual interest that will be deep enough to make some personal sacrifice is absolutely essential in this matter.

A German officer captured recently did not know that any American soldiers had been sent to Europe and refused to believe it until he was taken to General Pershing. He had been made to believe that no soldiers would be sent over, and that the United States was playing a selfish, deceitful game. When he finally saw how he had been deceived by the German leaders he broke down and cried and declared that his subjects on just what he wants them to believe and keeps everything else from them through censorship over the newspapers. If the masses of the people in Germany knew the truth they would revolt and nobody knows it better than the unspeakable Kaiser.

Only about eleven soldiers die in action or of wounds in each 1,000 of mobilized strength on the western European front, according to figures based on the report of the French High Commissioner.

President Wilson, in a letter made public by Secretary of Labor Wilson, called on the young men of the country between 16 and 21 years not now employed to join the United States Boys' Working Reserve.

JOIN THE RED CROSS

RIGA OCCUPIED BY GERMANS.

Riga, Russia's big Baltic seaport is in the hands of the Germans and its German and the civilian population are in retreat eastward. Following up rapidly the advantage they gained in driving the Russians across the Dvina River on both sides of Uxkull last Saturday, the Germans threw bridges across the stream and soon were on the heels of the former defenders, some of whom offered resistance, but others of whom showed the white feather, giving the invaders no trouble in their fifteen-mile march to Riga. Russian still defending the western bank of the Dvina around Dahlen seemingly are in danger of being caught between the two fast moving bodies of the enemy and being made prisoner.

The Russians are laying waste to the country behind Riga as they retreat, and doubtless the guns of the fortress and the ammunition stores have either been moved or destroyed. Aside from the strategic importance of controlling the Gulf of Riga, for the moment it is impossible to see the importance of the German gain, especially with winter coming on, when military operations in this northern region are almost impossible.

WILSON'S WELCOME TO NATIONAL ARMY.

The White House, Washington.—The soldiers of the National Army: You are undertaking a great duty. The heart of the whole country is with you. Everything that you do will be watched with the deepest interest and with the deepest solicitude, not only by those who are near and dear to you, but by the whole nation besides. For this great war draws us all together, makes us all comrades and brothers, as all true Americans felt themselves to be when we first made good our national independence. The eyes of all the world will be upon you, because you are in some special sense the soldiers of freedom.

Let it be your pride, therefore, to show all men everywhere not only what good soldiers you are, but also what good men you are, keeping yourselves fit and straight in everything and pure and clean through and through. Let us set for ourselves a standard so high that it will be a glory to live up to it, and then let us live up to it and add a new laurel to the crown of America. My affectionate confidence goes with you in every battle and every test. God keep and guide you! **WOODROW WILSON.**

GOOD NIGHT.

JAKE RICE LODGE No. 806.

Blaine, Ky., September 3, 1917.

Whereas, in accordance with nature the grim monster, death, has once more entered the portals of our lodge, and God in his wisdom has called our brother, F. H. Moore, from labor here below to the supreme lodge above, to the will of Him who doeth all things well we bow in humble submission.

Resolved, That the Jake Rice Lodge No. 806 has lost a member whose memory we will ever revere, one in whom we as Masons, had confidence that he would not at all shrink a masculine duty, that he would always give good and timely warning and advice to an erring brother and extend a helping hand to the unfortunate.

Second, That in the death of Bro. Moore, the community and his family, also his friends, have suffered a loss that can never be repaired and that an honorable and upright citizen, a worthy christian gentleman, a lovable companion and a true and loyal friend has gone to his reward.

Third, That we deeply deplore his death and extend to his family and friends our sympathy and bid them to emulate his many virtues and upright walks while sojourning on earth.

Fourth, That a copy of these resolutions be sent to the widow and to the Big Sandy News for publication.

OBITUARY.

Mattie Lyons was born December 12, 1854, died July 27, 1917. The writer had known her from childhood, having been schoolmates and class mates and to know her was to love her. She was a dear obedient girl. At the tender age of 18 she was married to L. S. Boggs and to this union six children were born, of which two preceded her to the glory land. Last October she visited the church here at our place and the dear Lord sent conviction upon her and she was gloriously converted and born into the kingdom of God. Oh, how I remember how she ran to her father and began to plead to him for his soul and spread the good news. The last time I saw her while living we held service in her home and saw her testifying and praising God. She leaves a father, mother, four brothers, five sisters, a husband and four children to mourn the loss of a dear mother, wife and sister. She told her mother not to grieve after her. We say to all who have no hope for she is not dead only asleep in Jesus, and when the last trumpet shall sound Mattie will awake to everlasting life.

"Blessed are the dead which die in Lord. They shall rest from their labors and their works do follow them." Rev. 14-12.

She died at her home in Louisa. She was followed to the graveyard overlooking the home of her uncle, Marion Hammond, on Capt. by a host of weeping friends and relatives where the funeral was preached by the writer and concluded by M. V. Berry in the presence of a large congregation.

Mr. Boggs desires to tender his thanks to the good people of Louisa who so liberally responded to his needs and especially to the sisters who so kindly waited on Mattie. May God bless you all in your prayer in Jesus name.

BRIEF HISTORY OF
THE LOCAL CHURCH

(Continued from page 2.)

The first Methodist preacher of whom
we can find any record as having ser-
ved this circuit and who afterwards
went with the M. E. Church South, was
Samuel Black, in 1838-40. His circuit
extended from Covington, Kentucky, to
the Cumberland mountains, a distance
of about 275 miles. At that time this
territory was composed of only three
counties, Mason, Greerup and Floyd.
The dividing line between Greerup and
Floyd was what is now Main street in
Louisa, Kentucky. Black preached
twice each month in each of these
counties, and it kept him traveling
nearly all the time in order to do this.

Following Arson Long we find Sam-
uel Mallory. Next John T. Johnson.
Then in 1858-59 Christian Sullivan was
the pastor. He married Miss Charity,
daughter of Frederick Moore, and sis-
ter of Uncle Tip, and they were the
grandparents of Rev. Frederick Shan-
non, of Brooklyn. In 1862 a preacher
named Rathbone was the pastor, and
he was the last until after the war.
It was not until 1866 that the M. E.
Church South was permitted to resume
worship. At that time the building
was repaired and the church reorgan-
ized under the pastorate of Rev. P. A.
Cloughton. S. H. Mullen was the pre-
siding elder. The stewards at that
time were Greenville Lackey, John W.
Jones, Samuel S. Short and John D.
Wellman.

Prostrate ceremonies by Presiding El-
der A. A. Hollister and Pastor W. H.
Foglesong. Judge R. T. Burns, the old-
est member of the congregation, ap-
plied the first trowel of mortar, and
made an interesting and touching ad-
dress.

The new building has a full sized
basement with Sunday school room,
kitchen, assembly room, etc. There is
a magnificent auditorium above, and
on the same floor is a pastor's study,
prayer meeting room, superintendent's
room, three class rooms and gallery,
all finished in quartered oak. The
windows are art glass. A pipe organ
is to be installed later, but it was im-
possible to accomplish this before con-
ference, so it was not attempted. The
building occupies the full lot and is
built of a rich, red tapestry brick, laid
in black mortar, with stone trimmings
and columns.

The pastors from that time down to
the present in order were:

W. R. Chambers, Walter Shearer, L.
C. Mead, Wm. S. May, Fletcher Gol-
den, G. W. Young, 1873.

J. O. A. Vought, C. W. Cook, Thos.
Cooper, John Mitchell, C. C. Arm-
strong, C. W. Tucker, 1882.

J. H. Hager, J. M. Leack, A. S.
Bowles, S. E. Simpson, M. A. David-
son, J. T. French, D. H. Roberts, 1897.

E. C. Switzer, S. A. Donahoe, J. M.
Boland, O. F. Williams, G. C. Hutch-
ison, W. L. Reed, 1911.

J. W. Crites, B. M. Keith, L. E. Mc-
Eldowney, W. H. Foglesong.

We are indebted to Judge R. T.
Burns for the facts herein about the
early history of the church.

THE KNITTER.

(By Alice Brown.)

What do you do, Little Sister,
Murmuring there in the sun?
If you please, I am counting my
stitches.

My knitting is just begun.
What do you knit Little Sister?
A scarf for your shiny gold head?

Oh, no, let my hair go uncovered,
I knit for a lad instead.

And who is the lad, Little Sister,
Your own lad by love and right?
Oh no if you please it is my dear lad,
Barefooted there in the fight.

When I saw your bowed head, Little
Sister,
And your hand moving on your
knee

I thought you were slipping along
the beads
In Our Father and Hail Marie.

Oh yes if you please, I pray as I
count,
And the stitches and prayers make
the sum

Two is for England, four is for
France,
And six is for Belgium.

And all the great fellowship follows,
Woven in row after row,
I pray as I knit and knit as I pray,
Binding off with Amen at the toe.

Have you a building
job on your hands?

Now that prices are high it is more
than ever important that you give careful consid-
eration to the roof you are going to put on. You
can save real money and get a better roof by using

Certain-teed
Roofing

Thru quality and sheer merit as a roofing material
CERTAIN-TEED is now being used as the prefer-
able type of roofing for sky-scrapers, factories,
hotels, stores, warehouses, garages, farm buildings
etc., where durability is necessary.

It is economical to buy, inexpensive to lay and costs
practically nothing to maintain. It is weather-tight,
light weight, clean, sanitary and fire-retardant. It
is guaranteed for 5, 10 or 15 years, according to
thickness (1, 2 or 3 ply).

There are many roll roofings on the market, but only one
CERTAIN-TEED. It pays to get the best. It costs no more
to lay a CERTAIN-TEED roof than it does to lay a poor
roof, but there is a vast difference in the wear. You can't tell
the quality of a roofing by looks or feel. Your only safety is the
label. Be sure that it is CERTAIN-TEED—then you are
certain of quality and guaranteed satisfaction.

Certain-teed Slate-Surfaced Asphalt Shingles
are supplanting wood and slate shingles for residences. They cost less,
are just as good looking, wear better, won't fall off, buckle or split. They
are fire-retardant, and do not have to be painted or stained.

Certain-teed Paints and Varnishes
The name CERTAIN-TEED on a
can of paint or varnish is the same
guarantee of quality and satisfaction it
is on a roll of roofing or a bundle of
shingles. Made for all uses and in all
colors.

selling alcohol on affidavit of the pur-
chaser but without a physicians pre-

HOME CIRCLE COLUMN

What Should Our Children Read?

When a child refuses to go to school or to work, is disobedient and listless, there is something wrong. A child brought up with the right kind of books as companions will love his school and his books.

Children are natural imitators. They will very soon learn to talk and act as their companions on the street do. Or if their leisure time is mostly spent with books, their thoughts will dwell on what they read about. And as a child thinks so is he. His sole aim will soon be to emulate the deeds and character that are foremost in his thoughts.

If taken while young a child's likes and dislikes can be educated in almost any direction; and good reading is a great help in making good children. A true story or a narrative of deeds that a human being might have done, history and tales of travel will linger in a child's mind and inspire him to be honest, noble and truthful; to honor and obey his parents and teachers and to love his school and companions.

With a little planning by the mother home may be made the place to be preferred above all other places by the children, especially at night. Reading aloud and telling the best they can what has happened and what they have seen during the day, should be encouraged in the children. Teachers will tell you there is a noticeable difference between scholars who have books and papers to read at home and those who have not.

Marriage is not necessarily a blessing. It may be the bitterest curse. It may sting like an adder and bite like a serpent. Its bower is as often made of thorns as of roses. It blasts as many sunny expectations as it realizes. Every improper marriage is a living misery, an undying death. An ill-matched human pair is the most woeful picture of human wretchedness that is presented in the book of life; and yet such pictures are plenty. But a proper marriage, a true interior, soul-linked union is a living picture of blessedness, unrivaled in beauty.

The Great Law.

People of intelligence, open-minded to truth, lose much if they habitually absent themselves from religious services in a city whose pulpits are so well supplied as ours with men who have come to see truth clearly through pondering deeply the problems of life. Can there be anything more important than an understanding as far as we can grasp it, of the evolutionary plan and the meaning and purpose of life, of our existence as human beings on this planet? It is of this that the finest minds in the church have made a lifelong study and seek in their discourses to give out such truth concerning it as they have found.

It is said that a statement has been made in a city pulpit that very many earnest people look upon this world war as an affliction visited by God upon the nations for their sins. Yet this is error. The heathens were told, "God brings re-evil on mankind. This war is the wages, the legitimate earnings, the inescapable outcome, the inevitable effect of causes put into operation by the nations themselves."

That is the rational and satisfactory view and is supported by and is consistent with all that we know of all the laws of nature, which are of course the laws of God. They are all of them enforcing, infraction of them being invariably followed by undesirable or disastrous consequences. It is error, however, to regard these as penalties inflicted. The great law is not punitive, but is only the law of action and reaction, of cause and effect.

Go To Church Movement.

Go to church that you may win in the great battle of life.

The greatest battlefield on which a man ever fought is within himself. The greatest defeats are there and the mightiest victories. Victory on the field of one's own heart means victory elsewhere. Every true man, every true woman, recognizes this. Sin first stole our self-mastery away. It must be charged and flanked and gripped. What the particular enemy is each individual knows, openly or secretly. What is it, O woman—back biting, gossip, mischief making, selfishness? You, O man—blasphemy, temper, appetite, passion.

Have you gone down to defeat again and again—seen your colors drag at the very time you should have been most easily the triumphant victor? That's good. Then you know the weak point in your line. That's where the hottest conflict is to be fought. There's the key to the whole situation. You have to mass your batteries there, temptation to dishonesty? Fight it. "Are those goods all wool?" said a woman to a little shopkeeper. "They were, Madam, before the rivals at our church. They are not now." Uncleanliness, cowardice and discouragement are the soldier's weakest points. Find out that point and defend it with all your strength. Victory consists in holding on a moment longer.

If you want to conquer your great vice you must go to church. It is in church and in church alone that you will find the weapons with which to successfully wage the fight. The Go to Church movement is sweeping onward. It is irresistible. Join it now. Do not delay. Go to church next Sunday. You will see your neighbors there. You will be glad to see them. They will be glad to see you.

Don't forget mother when plagues and good times are in order. Don't let her do all the hard work. And, boys, treat her to some fresh air every day behind that newly broken colt.

Ford

THE UNIVERSAL CAR

Have been built and actually delivered to retail buyers since August 1, 1916. These figures—320,817—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agents to retail buyers. This unusual fall and winter demand for FORD cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing FORD cars. If, therefore, you are planning to purchase a FORD car, we advise you to place your order and take delivery now.

IMMEDIATE ORDERS WILL HAVE PROMPT ATTENTION.

Delay in buying at this time may cause you to wait several months. Enter your order to-day for immediate delivery with our authorized FORD agent listed below and don't be disappointed later on.

CLIP THIS AND PIN ON WIFE'S DRESSER

Cincinnati man tells how to shrivel up corns or callouses so they lift off with fingers.

Ouch ! ? ! ? ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezezone when applied to a tender, aching corn or hardened callous stops soreness at once, and soon the corn or callous dries up and lifts right off without pain.

He says freezezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezezone will cost very little at any drug store, but will positively remove every hard or soft corn or callous from one's feet. Millions of American women will welcome this announcement since the inauguration of the "high heels." If your druggist doesn't have freezezone tell him to order a small bottle for you.

SYLVIA

A WORD FOR MOTHERS.

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are excited; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

Scott's is strengthening thousands of mothers—and will help you. No alcohol. Scott & Bowne, Bloomfield, N. J.

Help the Operators Serve You Better

Telephone subscribers are urged to call by number and not by name. In a community of this size the operators cannot possibly remember the names of all subscribers; when you call by name you delay your service and hamper its efficiency.

All telephones are known to the operators by numbers which are on the switchboard directly in front of them. The directory is your index to the switchboard and should be consulted before making a call.

Call by number and help the operator serve you better.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadersville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it.

Did You Ever Pay a Bill Twice

The one who has not had to pay more than one bill the second time is the exception and not the rule. Few people when paying a bill ask for a receipt and if they do they fail to keep the receipt. Did you ever have a dispute over a payment? Unpleasant is it not? Do you wish the circumstance to occur again? There is one sure way to escape it. Pay your bills with checks. If you received no interest on your idle money it would only show good sense and good wisdom to have it in a BANK. Transact your business in a business way and pay your bills by checks. Your check when returned to you makes an indisputable receipt. A bank account makes you systematic and encourages you to save part of your income. Many a man has become rich because he became interested in watching his bank balance, and was thus led to find ways to increase it. Start a BANK ACCOUNT with US and WE will help YOU make it larger. Why not begin TO-DAY.

LAWRENCE COUNTY FAIR AT LOUISA

TO BE HELD THURSDAY, FRIDAY AND SATURDAY, SEPTEMBER 27, 28, 29.

The dates of the Lawrence County Fair to be held at Louisa have been changed to September 27, 28 and 29, this being one week later than the dates originally decided upon. This is done because the Blaine people chose for their fair two days conflicting with the ones first selected.

The Lawrence county people are invited by the officials to participate in the fair at Louisa.

Following is a list of the items on which premiums will be paid, except as stated. The premiums will be published later.

Let everybody help to make the fair a success.

Premiums are now being secured. Subscriptions are being received, and great interest taken toward making this the biggest fair ever held in Lawrence county. This list is to inform the people what they are expected to bring, that there may be a fair, for of course without cattle, sheep, hogs, horses, and the woman's department of canned goods, sewing etc., there can be no fair. Whose fair is it? The answer, Yours! Every individual of Lawrence county owes it to himself, as well as to his county, to help make and to make the fair.

From the names appearing on the list as superintendents, if any are unable to serve, please notify Mr. Queen, secretary, at once. We hope, however, that these are not one who will not try to do his or her part, as each is well fitted for the place assigned him.

BREATHITT TO BUILD PIKE.

Jackson, Ky., Sept. 1.—The Breathitt Fiscal Court has ordered the letting of the contract on September 17 for the construction of the first pike road to be built in the county. This road will be three miles in length, extending from Jackson to Quicksand, and will require a small amount of grading. The cost of this road will be used by the Breathitt Fiscal Court as a basis upon which to let the contracts for the other roads in the county. Four roads are to be let in the near future running out of Jackson in four directions towards the neighboring county seats. The county expects to build about \$200,000 of good roads, one of which will become a part of the proposed Norton (Va.) to Louisville highway.

WEST VIRGINIA ITEMS OF NEWS.

West Virginia sportsmen are eagerly awaiting the opening of the state game season. Squirrel may be shot after September 15 and until December 1. Deer may be hunted from October 15 to December 1. November constitutes the quail season. October 15 to December 1 is "open season for pheasant and wild turkey. It is unlawful to kill more than twelve quail, twelve ruffed grouse, two wild turkeys or twelve squirrels in a day's shooting, or more than ninety-six quail, twenty-five ruffed grouse, six wild turkeys or 100 squirrels in a season.

In Memory of W. J. Lampton

Away from all illness, into the light,
Into the day, out from the night;
Away from all pain, secure in sweet rest,
Safe into peace, away from all woes,
Away from all suffering, a quiet repose,
Reaching the realm of the soul's fervent quest,
Away from all illness, into the light,
Into the day, out from the night.

So rests a tired soul who for the world's good
Worked long and earnestly to do what he could
To lessen the burdens of the not overstrong—
Working by day, far into the night,
Working for justice, working for right,
Working for rights, steadfast against wrong,
Away from all illness, into the light,
Into the day, out from the night.

Ernest Preston, who holds a responsible position with the DuPont Powder company, in New Jersey, is here the guest of relatives and friends. Mr. Preston has made two trips to England in the past year in the service of his "Uncle Sam." The last trip he made it was reported that the ship on which he sailed had been sunk by a German submarine and that Mr. Preston was numbered among those who were lost. However, later reports showed that it was another ship which sailed about the same time that was sunk and there happened to be on that ship a man by the name of Preston also. Mr. Preston reports a most enjoyable time on both trips.

IN MEMORY.

On Tuesday, August 21 as the sun was casting its golden rays over the home of J. B. Webb, the spirit of his daughter, Carrie Webb Fannin, and loving wife of George Fannin took its flight to the glory land. She had suffered for several months with that dreadful disease tuberculosis, but she bore her suffering with the utmost of patience.

All was done for her that kind and loving hands could do to restore her to health, but earthly help was unavailing. The summons found her ready and we feel sure she is safe in the arms of Jesus who doeth all things well. She was converted and joined the Missionary Baptist church when only eleven years old and had lived a consistent christian until her death.

Carrie was the youngest daughter of J. B. and Ella Webb. She was married to George Fannin in August, 1913, and to that union one girl was born, William. She leaves a husband, daughter, father, mother, two sisters, one brother and a number of relatives and friends to mourn their loss.

Who would call her back? No, no one, would wish to call her back to this dark world of sorrow, since we know she is at rest, free from all suffering, not among strangers, but safe with the blessed Christ whom she had so faithfully served for these nine years. The family was present when death came. She called her little girl to the bedside and said, "Mamma is dying now." Also called her husband and spoke to him and her last words were, "I am going to heaven."

Who would were the bereaved ones not to think of Carrie as being dead, but to think of her as waiting for us by the pearly gates of Paradise, there to be together forever in the presence of our Creator. The fragrance of her life and the memory of her kindness will abide with us and we hope to better our fleeting days.

I must say as one that knew her and understood her true nature that the greatest prose or most brilliant verse would fail to form a tribute to lay on her grave. That no life of the valley that ever bloomed is more pure and spotless than her life and its intentions.

The funeral services were conducted at Glenwood church in sight of the home and burying ground in a very touching and impressive manner by Rev. D. Wood of Ashland. A large crowd of sorrowing relatives and friends being present.

The house was draped in mourning and the floral tribute very beautiful. The lovely white casket and body was conveyed to and from the home by six girl palbearers. A RELATIVE.

Modis Hackworth, age 22, a farmer, of Willard, Ky., joined the medical department of the army. Lewis Lucas, age 27, a laborer, of Wewanta, W. Va., enlisted in the infantry section.

PIKE COUNTY NEWS

J. E. Yost Hangs Himself.

Mystery surrounds the death of J. E. Yost, wealthy land owner and business man of Pikeville and brother of W. B. Yost, of Catlettsburg, whose dead body was found Thursday morning at ten o'clock hanging by a three-quarter inch rope from a rafter in one of his barns, on Herald's Branch near Pikeville. His death occurred only a few hours before the body was discovered by his son, John, Jr., who went in search of his father when he did not return home after leaving the house at six o'clock in the morning.

The body was removed to the Yost home and when the news of the tragedy reached there Mrs. Yost and son William became seriously ill from the shock they received.

Coroner Cavin summoned a jury of six men and held an inquest last afternoon and the verdict rendered was to the effect that Mr. Yost had come to his death by strangulation.

No motive has been discovered for the death of Mr. Yost, and no evidence of violence other than the rope has been found.

Mr. Yost was fifty-six years of age and was widely and favorably known throughout the entire Sandy valley. He recently sold his store on Main-st., Pikeville, to Messrs. Stump and Adkins and retired from the mercantile business. He also recently became the owner of some valuable property in Pikeville.

Mr. Yost has not been in the best of health for several years. He is survived by Mrs. Yost and two sons, William and John; his mother, Mrs. Francis Yost, of Pikeville; brother, Tom Yost, also of Pikeville; brother, W. B. Yost, of Catlettsburg, and sister, Mrs. J. N. Robinson, of Pikeville.

No motive could be assigned for this suicide. Mr. Yost had been for a number of years a merchant here and only recently sold his store to Mr. O. A. Stump. He was about 55 years old. The funeral was held at the house Saturday morning by the Masonic order of which Mr. Yost had been a member for many years. The burial took place in the family cemetery near Shelby, services being held at the grave by the I. O. O. F. The floral offerings were many and beautiful and were only a small indication of the esteem in which Mr. Yost was held by all who knew him.
